

Directions Between the Bases

Revision 4: 23 May 2005

For any ?'s or comments, e-mail the Fleet & Family Support Center at ffsc_naples@nsa.naples.navy.mil

The following are directions to and from the bases with an emphasis on the Support Site. Some directions, like Support Site to Joint Forces Command Naples (JFCN) are given with more than one way to the base. **Please read the directions thoroughly before departing to wherever you're going.** The directions marked "BACKROADS" take you through town to avoid paying the toll.

READ CAREFULLY BEFORE TAKING THESE ROUTES, AS THE TRAFFIC IN DOWNTOWN POZZUOLI (BACK ROADS) IS NOT CONDUCTIVE TO READING DIRECTIONS WHILE DRIVING. YOU MIGHT WANT TO TAKE IT SLOW.

Note: When following these directions, place heavy emphasis on the mileages listed between turns, because they are very accurate. Road signs in this area may be damaged, vandalized, or stolen. If you know that you have to stay on a particular road for five miles, you can basically ignore all of those confusing signs that appear prior to your exit.

Note: Coming from JFCN, if the long onramp to the Tangenziale is closed, do the following:

- ⇒ At the stoplights by the onramp, go straight.
- ⇒ At .1 mile (.16 kilometer) the road splits, right & straight, continue straight.
- ⇒ The road immediately splits again after this, left & straight, continue straight.
- ⇒ At .3 mile (.5 kilometer) there is a Y intersection. Go straight through this intersection.
- ⇒ At .45 mile (.7 kilometer) there is another onramp to the Tangenziale on the right, follow the road to the right.
- ⇒ This is another onramp to the Tangenziale that splits to Pozzuoli/Domitiana & Capodichino/Autostrada just like the other onramp.
